The MoneyPlus's groundbreaking stock-rating service provides unique insights into what MoneyPlus community members (as well as more than 100 professional Wall Street firms) think about the stocks investors own. More than 5,000 stocks -- and the thousands of investors who cover them -- carry a rating from one to five stars, making CAPS a must for investors seeking new ideas (or a second opinion on their investments).

Founded in 2005 in LONDON, UK., by Dr. William Stone, The MoneyPlus is a multimedia financial-services company dedicated to building the world's greatest investment community. Reaching millions of people each month through its website, and subscription newsletter services, At MONEYPLUS.Biz we value and advocate tirelessly for the individual investor ...

Open an account

Our Opening an Account application takes 2 minutes:

- You need a valid email address for Registration form, MoneyPlus uses your email address to send you important information about your account. For example, once your registration is complete your user name and password are email to you. Please save them for your records.
- to open an account with us [click here](#).
- Fill out the registration form.
- Choose a password (at least 6-16 characters long), Stronger passwords include a mix of upper and lower case letters, digits, and other symbols. Avoid passwords that are words, names, or runs of digits. These can be easily cracked by hackers.
- State that you Accept our Terms of Service by checking appropriate box in last step.
- After you complete the registration form, the confirming your opening of an account email with us will be sent to your contact email address.
- Log into your MoneyPlus account to make sure it is accessible and working.
